

Job Profile

3.5T DRIVER

ABOUT THE ROLE:

This is not just a driving role, our team leaders are responsible for providing excellent customer service to our customers when they move home and for ensuring that packing and loading standards are delivered by the removals team.

The role will suit an experienced 3.5T Driver that wants to do more than just drive. 3.5T Drivers have to be great team managers, physically able and want to interact with customers to provide a great service.

KEY RESPONSIBILITIES:

- Responsible for the courteous interface with customers and ensure timetables and service expectations are maintained.
- Driving long or short distances.
- The role is physically demanding and involves packing, wrapping, loading and unloading our customer's goods.
- May involve some weekend working.
- You will be occasionally responsible for undertaking the duties of a Move Team Member, also be able to demonstrate the potential and desire to develop towards the Move Team Leader role.

WHAT WE'RE LOOKING FOR:

- Previous experience in removals is ideal but not essential
- Excellent spoken English
- Clean UK Driving licence
- Good level of fitness
- Eligible to work in the UK.

We will provide full training to equip you with the skills you need to lead your team, pack and load, understand health and safety together with customer service skills.

If you feel have the skills and experience to become a 3.5T driver, **apply online** or please **send your CV to sally.saunders@dbonner.co.uk**
